Benefits

Over 85 years of Stainless Steel know-how make Blanco one of the world leaders in sink manufacturing, which translates to superior products for your home

Crafted from premium stainless steel and finished with Blanco's patented brushing techniques, which helps conceal scratching and markings

- Delicate thin strip of granite no longer required between the two bowls which simplifies installation
- Water remains in sink when tap is swivelled from bowl to bowl.
- Strength and stability, reduced cost of installation

Extra large capacity main bowl for maximum performance with the secondary bowl allows for rinsing and soaking

- Eliminates the risk of water penetrating the cabinet below.
- Takes up less of valuable bench top space

Simplifies installation and provides extra stability
